## A PLACE TO UNWIND, IN THE HEART OF BEVERLY HILLS

Situated within Los Angeles' Golden Triangle, The Maybourne Beverly Hills is a sophisticated escape from the hustle and bustle of the famous city on our doorstep; a rare and special place to unwind, right in the heart of Beverly Hills.

### **Rooms and Suites**

An exquisite blend of superlative design and contemporary comfort, our newly renovated rooms and suites are a sanctuary from which to discover a city steeped in Hollywood history and cultural cachet. Guestrooms and suites have been artfully designed in collaboration with 2020 Elle Décor UK Interior Designer of the Year, Bryan O'Sullivan, resulting in bright, spacious interiors with bespoke furniture and a soothing Californian pastel palette. Wide, floor-to-ceiling windows welcome the subtle glow of the same technicolor skies that inspired the formidable filmmakers of the Golden Age.
