CHÂTEAU LA COSTE

en Provence

Adhering to biodynamic principles, Château la Coste strives to preserve the terroir, protecting its fertility, safeguarding the essence of the soil. The alchemy of blending lives on in a state of the art 'cuvée' designed by French architect Jean Nouvel and inaugurated with the grape harvest of 2008. This latest technology ensures the natural expression of the wine and brings new life to a long tradition. In 2009 these wines were given the French organic label "AB" in recognition of the respect shown to the land along with the methods used which are in perfect harmony with nature.

34330	Château La Coste Grand Vin Rouge, Coteaux d'Aix-en Provence 2016	85

LA COSTE

DE LOS ANDES

The philosophy of La Coste de los Andes is to preserve and respect the terroir as the fundamental basis of our production and processes. These vineyards are located in the Uco Valley in the district of Los Chacayes, at the foot of the Andes Mountains and are organic certified since 2014. The mountain climate and the diversity of soils provide complexity, elegance and concentration to these wines. A permanent commitment to the environment, sustainable viticulture and healthy living.

27230	La Coste de Los Andes Chardonnay, Mendoza, Argentina 2018	60

GROWER CHAMPAGNE

Grower Champagnes are produced by the same estate that owns the vineyard from which the grapes come. While most larger Champagne houses may use grapes sourced from as many as 80 different vineyards, grower Champagnes tend to be more terroir-focused, being sourced from a single vineyard or closely located vineyards within a village. Grower Champagne is seen as “artisanal winemaking”, with terroir and vintage variation at the forefront for each wine, rather than emphasis on a consistent house-style that must be repeated year after year.

RED WINE

DOMAINE DE LA ROMANÉE CONTI

Romanée-Conti is a vineyard famed for the excellent quality of its wine. Its situation in the vineyard territory of Vosne-Romanée is the most advantageous for the perfect ripening of the grapes; higher in the west than in the east, it receives the first rays of the sun in all seasons, being thus imbued with the great heat of the day. The wine of La Romanée Conti vineyard is the most highly regarded of all those in the Côte d'Or and even of all the vineyards of France.

Weather permitting, this wine always distinguishes itself from those of the other terroirs of predilection; its brilliant and velvety colour, its vibrance, and its scent charm all the senses. Well kept, it always improves as it approaches its eighth or tenth year. For many, this is the purest expression of Pinot Noir in the world and perhaps the best wine made anywhere.
