

## WELCOME

IT IS WITH GREAT PLEASURE that we welcome you to Afternoon Tea at The Terrace, introducing a classic teatime ritual to the west coast. The creation of this thoroughly English institution is credited to a lifelong friend of Queen Victoria, Anna Maria Russell, who was looking for a means of avoiding hunger pangs in the long gap between an early lunch and a late supper.

The centerpiece of afternoon tea is, of course, the drink itself. Our wonderful tea connoisseur, Henrietta Lovell of Rare Tea Co, has scoured to bring us delicious tea from small, little known producers from the four corners of the world. Working hand in hand with our Executive Chef, they have carefully selected teas that will complement your food exquisitely and all the tea is infused perfectly to bring out its most elegant complexities.

Over the next few pages you'll discover the degree of care that goes into each cup of tea and morsel of food as well as some of the little secrets that make our Afternoon Tea such a magical experience. All that remains is for us to wish you a wonderful afternoon.

## AMUSE-BOUCHE

Delight your palate with bountiful winter flavors. Our Heritage Diestel turkey, harvest vegetables and pomme purée, all wrapped in a golden, flaky, buttery crust. The mini turkey pot pie is topped with a homemade traditional cranberry sauce.

## SANDWICHES

### *DELICATE BALANCE*

*You might notice there is always a consistent balance between the thickness of the bread and the filling in our sandwiches, so that the filling is the same depth as the carefully sliced bread. Unlike bread sliced for toasting, ours is laterally sliced so that it retains its shape, and is a pleasure to look at and eat.*

## PROSCIUTTO

Our exquisitely sliced prosciutto features a French brie spread and a delicate touch of quince jam, served on classic white bread. Our prosciutto is sourced from Devodier Prosciutto di Parma for their commitment to sourcing the highest quality product, using traditional recipes to provide us with wonderfully aromatic and flavorful meat to make the perfect sandwich.

## CUCUMBER

The quintessential afternoon tea sandwich. Our cucumbers are grown locally at Beylik Family Farms in nearby Ventura, California. Served with horseradish, juniper and caraway on rye bread, the combination of crunch and water from the cucumber with the softness of the bread has made this sandwich a hit for centuries.

## SALMON

Delicately sliced Severn & Wye Smokery salmon is served on pumpernickel bread and flavored with dill and lemon butter. We selected our trusted supplier, an independent business based at Westbury-on-Severn, because they smoke the salmon to a more generous depth of flavor.

## CORONATION CHICKEN

A nod to the classic recipe created for Queen Elizabeth II's first coronation banquet. We begin with locally farmed roasted organic Jidori chicken and serve it with a creamy curry sauce, golden raisins and Fairhill Farms organic apples.

## EGG SALAD

Inspired by Angelenos' obsession with Japanese-style egg sandwiches, this is an apt way to combine the tradition of afternoon tea service and timestamp it with a bit of LA at the moment.

*TOP TEA TIP - Vibrant Lemon Blend, for your sandwiches. A beautifully balanced combination of lemon herbs that pairs perfectly with any partner - like Fred Astaire sweeping you up in his arms. From sauerkraut and pastrami to a delicate cucumber sandwich, this lovely blend elevates and enhances, deliciously.*

### *JAM FIRST, OR CREAM?*

*It's been a topic of much debate over the generations. In our view, it is the cream that comes first, followed by a teaspoon of jelly or jam. Of course this is just our own opinion, and the order of ceremony will always remain entirely a matter of the guest's own taste and preference.*

## SCONES

Our classic scone recipe is flavored with Tahitian vanilla and served with clotted cream and seasonal jam courtesy of Jessica Koslow from Sqirl in Silver Lake.

## SWEET PASTRIES

To round things off, this exquisite selection of sweets includes a mont blanc with whipped vanilla ganache, crunchy choux religieuse, chocolate roulade and salted caramel mousse, all made in-house from scratch by Executive Pastry Chef Brooke Martin and her team.

*TOP TEA TIP - Claridge's Blend for your freshly baked scones. This is a deftly blended tea. The deep, rich malty notes are enhanced by the cream. The bright, floral top notes lift the scone's warm biscuity flavors, and the hints of chocolate and burnt sugar add a satisfying depth and complexity.*

## BLACK TEA

*Black tea is crafted to reveal the strongest and deepest flavors. The British Afternoon Tea was developed to complement the rich, dark flavors of these leaves. These black teas have been traditionally hand-crafted in small batches with great care to preserve their wonderful subtleties of flavor.*

## CLARIDGE'S BLEND

A bespoke blend created exclusively for Afternoon Tea at our London sister hotel Claridge's. The blend has a unique depth of flavor that combines the power of an English Breakfast Tea with a satisfying complexity. The flavor is rich and aromatic with a deep, malty finish. Perfect served without milk, partnered by a fresh warm scone.

## RARE EARL GREY

A traditional Earl Grey tea made from single estate black tea and pure bergamot oil sourced from the ancient citrus groves of Calabria. This is a classic British tea made to exacting standards. The result is a clean and exceptionally bright infusion with exhilarating citrus notes. It can be

## WHITE TEA

*White tea is the least processed of all teas. Their young leaves and buds are all picked in spring and dried in the warm sunshine. They share very delicate flavors.*

## ANISE HYSSOP

A bright and refreshing Mexican herb grown on a small, organic farm in Michoacán. An exquisite combination of subtle aniseed flavors and sweet mint, with a hint of citrus.

## GREEN TEA

*Green tea has as many subtleties of flavor as the finest of wines. The best are both rare and exquisite. The minimal processing allows the fresh, green flavor of the leaves to be maintained.*

## WHITE MONKEY PAW GREEN TEA

This is a whole leaf tea that has been meticulously hand-crafted in the Fujian Mountains of China. The leaves are grown, harvested and fired in a wok over charcoal in a method that has barely altered over 3,000 years. Clean, soft and delicate, it is a singularly refreshing tea.

## HERBAL INFUSIONS

*Herbal tea is not strictly 'tea' because all tea comes from the leaves of camellia sinesis. They are infusions of the leaves and stems of different herbs. These herbal infusions contain no additives or flavorings and are naturally caffeine-free.*

### MALAWI SPEARMINT

The most elegant of mints, these gentle leaves make a remarkably smooth, well rounded infusion. Grown on the rolling, green hills of the Shire Highlands of Malawi; they have a delicate softness while still revealing intense layers of flavour. This is an ideal mint to accompany food - working splendidly as a flavour pairing for both sweet and savoury dishes. It also works rather well as a digestif.

### SOUTH AFRICAN ROOIBOS

The real South African Red Bush. Beyond organic, this Rooibos is harvested completely wild in its indigenous habitat in the Cederberg Mountains. A richly delicious infusion with deep earthy notes, bright red berries and cedar. Can be beautifully enhanced by the addition of a twist of lemon zest. If you enjoy sweetening your tea, Rooibos turns to caramel with a delicate drop of maple syrup.

### HIMALAYAN LEMON GRASS

A warming and bright blend of organic Sri Lankan Lemongrass and pure Ginger from the high Himalayan region of Sikkim in India. From soft grassy notes of fresh hay this bright infusion develops into sweet lemon drops combined with the rich tingle of spice.

## ICED TEAS

### CLARIDGE'S BLEND

A bespoke blend created exclusively for Afternoon Tea at our London sister hotel Claridge's. The blend has a unique depth of flavor that combines the power of an English Breakfast Tea with a satisfying complexity. The flavor is rich and aromatic with a deep, malty finish.

### IRON GODDESS OF MERCY OOLONG

Oolong teas have been partially oxidized and have a flavor and body between green and black tea. Also known as Tie Guan Yin, this Chinese oolong comes from the high mountains of Anxi, in Fujian Province. Crafted to an exact point at which the leaves reveal their hidden subtleties, it has rich floral aromas leading to a perfectly balanced mineral finish.

### LEMON BLEND

A vibrant herbal infusion with grassy notes of fresh hay and the sweetness of lemon drops. Bright Sri Lankan lemongrass from the pristine hills above the Ravana Falls is blended with smooth Malawian Lemon Verbena from the Shire Highlands. Wonderfully enlivening and soothing in the same delicious sip.
