THE SPA

Begin by sliding into our serene immersion pool. With its soaring mosaics and sky-lit ceiling it's a trip back to ancient times when bathing was a ritual to be savored. Whichever of our exceptional massages you choose, whether it is to relieve weary muscles or ease some tension, a bespoke blend of oils and aromatics will revive your body and reawaken your limbs. Our range of facials and body treatments will brighten and balance using healing salts, soothing muds and the most sophisticated anti-ageing creams, leaving your skin nourished and your face aglow.

FITNESS CENTER

Whether you are a cardio or calisthenics fan, or just like to lift, the 24-hour fitness center at The Maybourne Beverly Hills will keep your regime right on track. Situated adjacent to The Spa, our advanced, technical equipment includes Woodway treadmills, Peloton bikes, Technogym elliptical trainers and Wattbikes. Our dumbbells by Pent are artworks in their own right and there are functional training sets from TRX in the movement studio.

ROOFTOP POOL

With panoramic views of the rolling hills of Hollywood, our rooftop pool provides a sanctuary for both swimming laps and lounging. Sit beside the water as you sip on freshly-squeezed juices or enjoy the many additional beverage and menu options provided by Dante Poolside. When the sun beams bright, there is no other pool day quite like it.
